

Na het avontuur met Vidotrans in India, bleek enige tijd later dat de prijzen zo onder druk kwamen te staan (mede door vervoerders uit de nieuwe EU lidstaten), dat het niet meer haalbaar was om met Nederlandse chauffeurs naar Oost-Europa of verdere bestemmingen te rijden. Als gevolg daarvan kregen wij ontslag en ben ik sinds Augustus 2005 aan de slag bij [Heisterkamp](#) in Oldezaal, in het transport naar onder andere Engeland/Ierland, Scandinavië en Frankrijk. Hieronder enkele foto's (klik op de foto voor een vergroting):

After my adventures with Vidotrans in India, the market for humanitarian cargo changed drastic because of the expansion of the EU, resulting in lots of cheap truck-drivers from East European countries. This made it financially impossible to use Dutch drivers on trips to Eastern Europe and further away. Vidotrans had to led all the Dutch drivers go and from August 2005 on, I have been working as a truck-driver at Heisterkamp in Oldezaal. For Heisterkamp, I'm travelling mostly to England/Ireland, Scandinavia and France. Below are some pictures form Heisterkamp (click to enlarge):
